## FIRST SESSION

At the onset of the first technical session, Chairman of BOS in Botany Prof. B.S. Surwase and all the BOS members were felicitated by Organizing Secretary Dr. Sanjay Dalvi.

The First Technical Session was devoted to the following papers.

### B.Sc. F.Y. Botany Semester I

Paper I (CCB-I A): Viruses, Bacteria, Algae, Fungi, Lichens and Mycorrhiza.

Paper II (CCB-I B): Plant Ecology, Phytogeography and Environmental Biology.

### B.Sc. F.Y. Botany Semester II

Paper III (CCB-II A): Bryophytes, Pteridophytes, Gymnosperms and Paleobotany.

Paper IV (CCB-II B): Taxonomy of Angiosperms.

**Chairman:** Prof. B.S. Surwase. **Co-Chairman:** Dr. A.S. Kadam **Reporter:** Dr. R. Allapure

The suggestions given by different faculty regarding the syllabus of above papers were:

1. TMV should not be mentioned as RNA virus
2. *Nostoc* is mentioned in the syllabus under the heading of Cyanophyceae. But according to modern classifications *Nostoc* is a Cyanobacteria.
3. As *Riccia* was present in previous syllabus, and it is also available in our region, *Marchantia* should be replaced with *Riccia*.
4. Morphology is given in the third unit of paper IV. Instead it should be present in the beginning of Taxonomy paper.
5. The overall paper of Taxonomy of Angiosperms is very vast and should be reduced.
6. The content in the syllabus like types of Inflorescence should be delimited.

A lot of discussion took place on all these and many more points. But the chairman explained that we have followed the pattern mentioned by the UGC as it is and it would not be appropriate to change UGC module. All the faculty were convinced by the chairman and it was decided not to change anything in the FY syllabus.

## LUNCH

## SECOND SESSION

The Second Technical Session was devoted to the following papers.

**B.Sc. F.Y. Botany** Paper V (CCBP-I): Practical Paper Based on Theory Papers I, II, III, IV.

**M.Sc. F.Y. Botany** Semester I and Semester II: All papers

**Chairman:** Prof. B.S. Surwase, **Co-Chairman:** Dr. S. S. Bodke, **Reporter:** Dr. D.M. Jadhav

In the second technical session initially syllabus of B.Sc. FY practical paper was discussed. Some faculty pointed out that considering the FY students, the V paper syllabus is very vast. But again, the Chairman convinced them that we would not change the UGC pattern.

A discussion about M.Sc. FY syllabus also took place in this session. the faculty concluded that the M.Sc. syllabus is nicely designed and there was no need to change anything in it. The syllabus of B.Sc. Horticulture was also discussed.

At the end of Second Technical sessions, it was agreed that the syllabus of B.Sc. and M.Sc. should be accepted with some minor changes.

The college is one of the premiere institutes functioning in the rural area catering to the needs of the rural, poor and socially backward classes paving the way to their upliftment and promising future. "Let the town of Purna grow to perfection with Buddha (intellect)", keeping this mission statement close to heart, a few committed individuals of Purna town have come together and established Shri Guru Buddhiswami Mahavidyalaya, much to the aspirations of the needy. The college has a long and distinguished academic history in the domain of higher education, its alumni comprising of degree and junior college lecturers; advocates; judges; chartered accountants; state and railway employees; entrepreneurs and social and political activists, is the testimony to it.

### About the Workshop :

As it is mandatory revising and restructuring the syllabi at the UG and PG at regular intervals as per the UGC Curriculum Development Scheme, S.R.T.M.U. Nanded has duly revised the syllabi from this academic year 2019-20 onwards.

To initiate a healthy discussion on the feasibility and efficacy of the course component prescribed and devise the modalities of effective implementation, our institution in collaboration with S.R.T.M.U. Nanded has decided to organize a workshop for the teachers in this effect. We propose to organize a Workshop 'On The Scope of New Syllabi for First Year B.Sc. & M.Sc. (Botany), B.Sc. (Chemistry) and B.Sc. (English)'.
